"I Want You to Have This Dolly"

The Most Wonderful Doll of Today

"FLOSSIE FLIRT"

This Loosely, Wonderful, Walking, Talking Doll is a Present.

She Walks and talks like a real child. She Talks, says "Ma Ma" and "Sweetie." She Walks, winks, and smiles. She Talks, talks for you from side to side. She Sleeps, closes her eyes tightly & snuggles.

No matter how many Dollies you may have had there is none, as sweet as Flossie Flirt. None so real. A real, live baby could not do more cute little things than this wonderful Doll.

You surely would love nothing better than to cuddle her in your arms. Have her look up at you with darling big eyes and call you Ma! Ma! just like a real live baby would do.
